

Cook anywhere, with any fuel

The New Primus Himalaya MultiFuel - 17 oz stove

The Himalaya MultiFuel works for you
in any weather, at any altitude, with any fuel – *every* time.

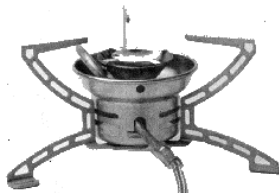

When you're hunched over trying to get a meal, you want your stove to spring to life. After a long day of adventures, you're ready for hot food, a soothing drink and sound sleep.

That's why the Primus Himalaya MultiFuel is built for extremes. If the weather's cold or wet, windy or still, you can trust this furnace to keep you warm, hydrated and well-fed. It's a dependable partner, especially at high-altitude. And, for **only \$96**, a very reasonable one.

Relentless Testing

We engineered this stove for the ultimate conditions and guarantee its performance – 87 demanding lab tests, endless alpine trips with mountaineers . . . We didn't let up.

We tested ignition, combustion and temperature. We looked at every nut, weld, surface and fuel connection. This stove has been dropped, buried, kicked, vibrated, submerged and frozen. We know the Himalaya MultiFuel will perform for you, even in the most demanding environments.

Burn Any Fuel – Safely

Propane? Yes. White gas? Yes. Gasoline? Not a problem. In fact, you can use kerosene, paraffin, jet fuel, diesel fuel and alcohol too. This solid, versatile unit burns local fuels to let you cook safely and reliably – anywhere on the planet, in any conditions. It's extremely adaptable.

Lifetime Guarantee

This stove will last you a lifetime. So, we promise to replace it for any defect or problem – forever. After all, we've been backing up our stoves since 1882. Order one today for solid power and security in your alpine cooking system.

Free \$9 Fuel Canister

Send in this coupon, go to our Web site, or phone **before Nov. 1, 2001**. Include your name and address and \$96, and we'll give you a free 12-oz fuel canister with your stove. If you return the Himalaya MultiFuel later for any defect, you get a *full refund and keep the canister*.
